

CDHNS Continuing Education Event

NSCC Waterfront Campus

April 14, 2012
9:00am – 4:00pm

The CDHNS is pleased to announce that on April 14, 2012 it is hosting a continuing education event for its membership on: *Empowering yourself in the workplace.*

Throughout the morning, attendees will learn about employee rights, the role of a written contract, protecting themselves from unfair dismissals, and NS law by well-known employment lawyer Kim Turner and an associate from a leading Atlantic law firm, Pink Larkin.

During the afternoon, speakers and presentations will cover a variety of topics including long term disability insurance, workers compensation, the CDHA employment survey and a panel of independent practitioners will speak to what it takes to go it alone.

Have you been treated unethically in your practice?

Have you had to file a complaint against your employer?

Have you been unfairly dismissed from a position?

Sharing your story can help others in their practice. Please forward your story to the CDHNS so it may be discussed during this important event. Anonymity is assured.

Space is limited; members must register by March 30, 2012.

* Event is worth 7 credits in Category 3
